

# CALL ME ANY TIME

20-30 mins x 2

Pairs

**Content** Phone call role-play with variations

## LEARNING OUTCOMES

- use standard phrases for phone calls
- speak about the topic of role play
- inquire, complain, deal with etc.

## LEARNING ACTIVITIES

- receive their role (determined by teacher)
- learners prepare for their role play
- role play the phone call (no cameras)

Variation: If there is more time or the learners are more advanced

- give learners new pairs with new situations

## TEACHING ACTIVITIES

(note: use video and/or collaborative writing activity to prepare phrases and vocabulary)

- prepare the prompts
- hand out the prompts
- create the pairs
- control the camera

## Materials and tools

- if one device and one remote learner:  
classroom learners work back to back in pairs, one classroom learner can be seated at the classroom computer (camera off, requires headphones)
- if one device but several remote learners:  
classroom learners work in pairs, remote learners in breakout rooms, one remote learner can be paired with one classroom learner at the classroom computer

## Materials and tools

- if several devices and several remote learners: classroom learners can be paired with remote learners via breakout rooms (requires headphones).
- if one device but several remote learners: classroom learners work in pairs, remote learners in breakout rooms (prepare rooms in advance and give clear instructions on how to change rooms and in what order)
- rotate classroom learners to be paired with remote learners as well

## Tips

- No additional tips.
