

LISTEN TO THIS VARIANT

50 - 60 mins

Pair work or small groups

Content Listening comprehension on a specific topic (2-3 different audios)

LEARNING OUTCOMES

- comprehend audio content on a general and detailed level

LEARNING ACTIVITIES

- listen to assigned audio
- write down three quiz questions (and answers)
- swap audios and quiz questions between pairs/groups
- listen to new audio and answer the quiz they received
- hand their answers back to the original pair/group for feedback

TEACHING ACTIVITIES

- split class into pairs or small groups and assign audios (use links)
- help learners understand their audios and prepare their quiz
- coordinate the audio and quiz exchange

Materials and tools

- audio file

Tips

- quiz exchange can be done using the chat
- classroom management:
 - if several remote learners, use breakout rooms
 - if one remote learner, seat classroom learners at PC with headphones, turn off projector during the exercise
- if several remote learners and several devices available in the classroom, pair remote with classroom learners (requires headphones)
