

# LISTEN TO THIS

20 - 30 mins

Individual work followed  
by plenary/group work

**Content** Listening comprehension on a specific topic

## LEARNING OUTCOMES

- comprehend audio content on a general and detailed level

## LEARNING ACTIVITIES

- listen to audio for general understanding first and repeatedly for details
- do the exercise given (fill-in exercises or answering questions)
- compare results in pairs or plenary

## TEACHING ACTIVITIES

- play audio-file once for general understanding and repeatedly for detailed understanding
- guide students through tasks
- moderate the correction process

## Materials and tools

- audio file

## Tips

- use a digital tool for the fill-in exercises with immediate feedback function
