

# READ BEFORE BURNING

30 mins

Individual, then  
pairs/trio/groups

## Content

Texts related to the objective in the form of articles, newspaper excerpts, interviews, letters.  
Objective can be a mystery, such as a murder.

## LEARNING OUTCOMES

- understand and select essential and relevant information based on the objective

## LEARNING ACTIVITIES

- receive their text and take notes related to guiding questions
- come together in groups and exchange information verbally, aim to solve the mystery

## TEACHING ACTIVITIES

- introduce vocabulary and phrases
- select/write texts
- create guiding questions for texts
- create breakout rooms
- create groups

## Materials and tools

- texts, worksheets, etc. digitalized for online learners
- if one device and one remote learner: seat one group at the classroom computer
- if one device and several remote learners: seat one group at the classroom computer, group the rest as needed
- if several devices and several remote learners: group classroom learners with remote learners accordingly (prepare breakout rooms)

## Tips

No additional tips.
