

WHAT'S THAT NOISE?

5 mins

Plenary

Content Icebreaker

LEARNING OUTCOMES

- verbalizing assumptions
- consolidating vocabulary based on audio cues

LEARNING ACTIVITIES

- Remote learners: turn off camera and produce a sound
- Classroom learners: have to guess what the sound is

TEACHING ACTIVITIES

- provide phrases for making assumptions
- moderate the activity

Tips

- noise canceling should be set to low or turned off in the video conferencing tool to let the sounds through unfiltered
